

ARCHITECTURAL ZINC

Superior performance for superior design

Jarden Zinc Presidential Series™

With Architectural Zinc, architects and designers are no longer limited on colors and textures. Jarden Zinc's Presidential Series™ offers four distinct color variations to bring a timeless, signature look to any project.

Your superior design plus Jarden Zinc's superior performance results in a look that will not only stand out from the crowd, but will stand the test of time.

Superior performance for superior design

Presidential Series™ available colors include:

Gannett Green™ — Jarden Zinc's Gannett Green™ lends itself well to designs that emphasize natural elements.

Sonoma Red™ — A rich reddish-brown, Jarden Zinc's Sonoma Red™ zinc surface is a gorgeous addition to a variety of building designs.

Ocean Blue™ — Our Ocean Blue™ zinc surface is a unique grey color with a slight bluish hue.

Onyx Black™ — Jarden Zinc's Onyx Black™ pre-weathered zinc surface is a rich black with subtle color variations.

Cappuccino Brown™ — With a warm earth-tone, the cappuccino appearance is a soft brown finish with natural distinction.
